**September 24<sup>th</sup> 2020 Report**

**Entrada Gate House:**

1 bar was replaced with multiple tailgaters this month.  
The Entrada pavers have been cleaned and sanded.

**Drainage:**

Drain lids on hand now waiting for scheduling of drainage repair and driveway repair.

The newest storm lid was hit and destroyed. It has been temporarily replaced.  
Zack's bubbler system is in the water now waiting for electric.

**Fence:**

Irma fence repairs are complete but a new section was taken out from a recent storm now.

**Canopy trees and lights:**
