

**JUNE 2020 SUPERINTENDENT'S REPORT BY MARK E.
THIEME**

Entrada Gate House:

Resident vehicle information is being entered into the system and there was one camera replaced. I also staffed the gate on Monday June 22.

Seasonal Flowers:

All seasonal flowers are planted, butterfly plants still to come.

Drainage:

Drain lids on hand now waiting for scheduling of drainage repair and driveway repair.

Fence:

Irma fence repair should be completed soon.

Street Signs:

I am in the process of identifying those existing wooden signs that can be replaced with metal and those that need repair.
